WORLD ENVIRONMENT DAY

On the 5th of June was World Environment Day, which aims in short, to promote awareness for the need to protect our environment.

As part of World Environment Day the children at FDC have been learning about their own environment, the importance of looking after it and how to work together to do so and improve it.

Three groups of children went out into the neighbourhood with their teachers to clear rubbish from the roadsides. They went out armed with rubbish bags, tongs, gloves and tons of enthusiasm. They worked so well together and did a tremendous job, making a real difference to their environment. Massive WELL DONE! to all the children who took part.

REDLAND RAMBLERS DO IT AGAIN!

Redland Ramblers veteran football team of Bristol UK held another incredible annual CHARITY AUCTION AND QUIZ FUNDRAISER

On Saturday 1st December 2018, this event was held at the Long Ashton community centre on the outskirts of Bristol. There were over 100 people attending and the evening was split between a very competitive quiz, interspersed with bidding on various lots in an auction. The auction items ranged from Spa days, restaurant vouchers, wine tastings, festival tickets, a holiday in Greece, and many other items of interest.

There was also the announcement regarding this year's "Nobby's challenge" whereby John "Nobby" Nowland is challenged to take part in what is normally a stunt requiring some bravery (and stupidity) on his part. Previous years have seen Nobby who is an avid Bristol City FC fan being required to watch Bristol Rovers play, he has also been on a bungee jump from a crane in Bristol, and completed a one mile zipwire ride at a height of 500 ft with speeds of over 125 mph, while dressed as a gorilla ! This year his unusual challenge was to attend a salon in Bristol that specialises in the wax removal of unwanted body hair from those parts that normally do not see daylight. Contrary to popular belief he has not had this procedure on his head.

Catering provided at the event was first class and enjoyed by all, special thanks to Jacqui, Kayleigh, and Dan Sheehan, also Simon Harvey and Dave the hairy Biker. Thanks to all those individuals and companies who gave generously to provide the auction lots, and in particular to Andy Sheehan who has worked tirelessly to assemble all auction prizes. The final total for money raised at this one event was a staggering 4900.00 GBP!

Feeding Dreams Team would like to say a special thank you from our hearts to our lovely friends and donors from across the globe.

Without humanitarian love, support, and engagement in our work with the impoverished, we could not continue our life saving programs for these beautiful people.

Thankyou
